

Principals: Viewing Effectiveness Data Quick Reference Card

CIITS: Viewing Effectiveness Data

1. Roll your cursor over Educator Development on the navigation bar and click **Search Individual Profiles**

Dashboard

A holistic overview of your professional development

My Profile

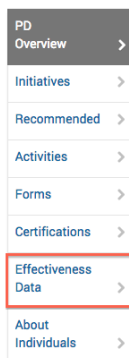

Search Individual Profiles

School Profile

2. Begin typing the last name of a user in the search box and the system will display a list of matches below the search box. Click on the correct user in that list

Anderson County High S... teacher, school

3. Click the **Effectiveness Data** tab in the Profile menu

4. The **Effectiveness Data** tab will show you data for the following COMPLETED sources of evidence: Observation, Self-Reflection, Student Growth Goals, MSGP, Student Voice, and Summary of Evidence (Note: PGP information does not display in this tab)
5. To view the completed data for a particular source of evidence, click the **View** button to launch a new window that contains the data of that source

Completed measures are listed below.

Show Data From 2015-2016

| Observation | | | | | | |
|-----------------------|-----------|-----------|-----------|------|---------------------------|----------------------|
| Window | Observed | Modified | Status | Type | Reviewer | |
| Teachers by Peer | 9/22/2015 | 9/22/2015 | Completed | Full | R. Adams (Peer Observer) | View |
| Teachers by Principal | 6/26/2015 | 6/26/2015 | Completed | Full | P. Principal (Leadership) | View |

| Self-Reflection | | |
|-------------------------|----------|-----------|
| Window | Modified | Status |
| Teacher Self-Reflection | 7/6/2015 | Completed |

| Student Growth Goals | | | |
|-----------------------------|-----------|-----------|--------------|
| Window | Modified | Status | Reviewer |
| 15 - 16 Student Growth Goal | 6/29/2015 | Completed | P. Principal |

6. To view data for COMPLETED sources of evidence in a previous year, use the Year Drop-down Selector at the top of the Profile

Show Data From 2015-2016

* NOTE: The Effectiveness Data tab on a user's Profile is the only location where previous year Student Growth Goals (completed) can be viewed.
